# Support your local Age Concern

The Music Hall performance was first introduced in Basingstoke by Age Concern in 2003. Initially staged at the Haymarket, in order to increase audience capacity, the show was moved to the Anvil in 2007.

The show devised, compiled and directed by Miss Helen Watson, encompasses many styles of musical entertainment, from old fashioned music hall, variety, comedy capers, vaudeville, ballads and banter to modern day musicals – with a touch of innuendo here and there!

For the last two years the Anvil was packed with people from near and far, enjoying an evening of Victorian Music Hall type entertainment.

We hope you will join us this year for an evening of music from a bygone era and participate in some of the memorable songs composed and written many years ago. *Come and remember the good old days* – as the saying goes *“a little of what you fancy does you good”*.

We encourage you to join in and sing along.

All money raised from this event will help Age Concern in Basingstoke to continue providing services to local older people. If you want to find out more about the services we provide, log onto [www.ageconcernbasingstoke.org.uk](http://www.ageconcernbasingstoke.org.uk) or call us on **01256 423874**.
