

## Age Concern Holiday 2009 - Sandown

“Good hotel, good company, good food!”

This is just one of the positive comments from Age Concern holidaymakers on their recent return from the Isle of Wight where they enjoyed a week of sunshine based at the Trouville Hotel in Sandown.

Everyone came back happy and relaxed from their holiday where they had been well looked after (& well fed!) by the excellent hotel staff. Entertainment was laid on each evening and holidaymakers were able to take part in no less than five inclusive trips or, of course, to explore the island on their own.

Our sincere thanks go to George & Anita, Age Concern volunteers, who led this year's party and ensured everything ran smoothly. This was their first year as holiday volunteers and the holidaymakers were full of praise for them.

If you would like details of our 2010 holiday (destination to be decided), please contact Tracey at Age Concern on 01256 423874 to be added to the mailing list. Please note - holidaymakers must be self-caring and able to travel by coach.
